Notebook Optical Retractable Mouse

Model # AMU02EU

The Targus Notebook Optical Mouse with Retractable USB Cord is the perfect device, small enough for travel and big enough for day-to-day desktop operations. The compact mouse with unique ID fits easily into a travel pouch for easy storage. Utilising optical technology providing 800dpi for precise tracking on most surfaces, this mobile mouse also features a retractable USB cable ensuring there are no tangled cords so you can use it wherever you want.

KEY FEATURES

- Optical sensor technology: provides accurate cursor movements and precision in data transmission
